This option provides opportunities for deeper instructional engagement and fosters greater time-management and independence amongst our students, preparing them for the reality of a college schedule.

Honors, Advanced Placement, Dual Credit and Dual Enrollment courses are weighted by one additional quality point in **GPA** calculation.

Our students continue to seek the **most challenging of post secondary options** and the **rigor of AP, Honors, Dual Credit, and Dual Enrollment courses**. Their academic quality is further supported by standardized test scores noted on the following page of this profile.

All courses taken at RFH (9-12) are included in GPA. Credits earned in other schools, enrichment programs and summer school grades are listed on the transcript but are not included in GPA calculations.
