

Physical Education Weekly Medical Assignment

Directions: You must complete this assignment once per week for every week that you are on medical for Physical Education. Please place in your teachers mailbox weekly upon completion.

1. Access the website The Players Tribune (<https://www.theplayerstribune.com>)
2. On the right hand side drop down menu, click "Sports." Pick a sport of your choice.
3. Find a written article of your choice by an athlete or contributor that you would enjoy reading (videos or other sources CANNOT be used). You do not need to print the article, however, make sure you mention the name of it in your response.
4. After reading the article, write a 2 paragraph response to the article. Questions to think about include: Why did you choose this article, What is the article about, What did I learn from the article (moral of the story), How can I relate what the writer/ contributor said to my own life, Do I agree or disagree with the writer and/or information, etc.

Response Rubric Physical Education			
Student Name:			Total Score:
