

All students are required to have a charged device with them in school for instruction. RFH supports a bring your own device platform.

If you need to borrow a device that can be used at RFH and taken home, we will loan a Chromebook device for the 21-22 school year.

## Chromebook Fees

RFH will be requiring a Chromebook Fee for each device that is borrowed.

- It is the student's responsibility to care for and maintain the Chromebook. It is expected that the student brings the device home and to school daily.
- It is expected that students have the device with them and charged while attending classes at RFH. Students without a device may be deemed unprepared for class that day.
- There will be a Chromebook Fee of **\$50** (*maximum of \$100 per household*) that will cover damage to the device.
  - The fee will include one replacement of the device if accidentally damaged.
  - If a Chromebook is damaged a second time, the student will be charged \$250 and provided with a replacement Chromebook.
  - All damage to a device must be reported to the Vice Principal's Office immediately.
  - If the Chromebook is lost or stolen, the student will be charged \$250 and provided with a replacement Chromebook.

**Payment Information:** All payments will be collected through MySchoolBucks. Please [Click Here](#) to pay online. Payment will need to be made prior to the device pickup times listed below.
