RFH Strategic Plan Task Force Update

Have additional thoughts or missed our first community forum? We need your voice and heard your feedback! Calling all community members; please join us Tuesday, February 23, 2021, at 7 PM for a full hour **virtual** small group session, or on Thursday, February 25, 2021, at 7 PM for **in-person** small group sessions. (Please arrive at 6:45 and enter through the RFH Auditorium doors, where you will be directed to a classroom.) Questions will be provided in advance of the sessions. Pre-registration is required to maximize input based on attendee capacity. If you would like to attend the small group sessions on either Tuesday, February 23, or Thursday, February 25, please let us know by registering [here](#) by February 22.

These questions will help guide our conversation:

1. **What sets RFH apart from the other high schools?** What is RFH known for? What adjectives/words do people use to describe RFH?
2. **What are the big questions we need to answer within the next 3-5 years?** Where do we need to grow the most/improve? What needs more immediate attention? What are the top 3 best practices/ideas from high-performing schools in those areas? What would that look like?
3. **What do you hope will look different in the new few years?**
4. **What is your moonshot idea?/Dream without limitations?**

You may also provide feedback through our [survey](#) which will remain open through Thursday, Feb. 25.
