To the Rumson-Fair Haven Regional High School Community,

It is with great pride and excitement that I write this letter of introduction to you as the new Supervisor of School Counseling at Rumson-Fair Haven Regional High School. I am honored to be a part of a district with such a strive for excellence, a dedicated staff and a supportive community.

I come to RFH with 14 years of experience in the field of education and 5 years in the corporate sector. In my time in education, I have worked as an assistant director of undergraduate admission, a high school college counselor, and a supervisor of school counseling. I have had the opportunity to present at NACAC (National Association for College Admission Counseling) conferences, speak as a panelist at college admission events, and serve in leadership roles at the county level for school counseling associations. In these experiences, I learned that my passion is to help others, and to mentor and promote the empowerment of all students. As a devoted educator and father, I realize the importance of a committed and dedicated advocate for the success of students. This is the charge I bring to work each day and what I will continue to promote amongst the RFH School Counseling Department.

It is my goal to provide Rumson-Fair Haven Regional High School with a comprehensive school counseling program that encompasses college planning, a strong commitment to social emotional learning, and programming to assist our students.

I look forward to working with each and every family. The RFH School Counseling Department serves as such an important resource to the community. I am excited to bring enthusiasm, passion, and expertise to an already wonderful department. Please feel free to contact me directly with any questions and I am so excited to be a part of the Rumson-Fair Haven Regional family.

Sincerely,

Andrew Amendola
Supervisor of School Counseling
