September 2021

Dear RFH Parents, Athletes, and Friends,

Since 1936, the Bulldog Booster Club has been an invaluable support to **ALL** athletic programs at RFH. We are a 501(c)(3) volunteer organization of parents who work together with the RFH administration to support the **entire** student-athlete community at RFH.

Whether you are the parent of a current athlete, a proud alum, or even an avid local fan, your support is needed more than ever! Show your Bulldog pride by visiting our online shop to purchase spiritwear for comfy online virtual days and to become a member of the RFH Booster Club! Over the past few years, with your support, Boosters gave back over \$40,000 directly to our athletic programs and our student-athletes. Become a member now to share your opinion on where funding goes for this school year!
