

FUNDING INNOVATIVE PROJECTS, PROGRAMS AND PEOPLE

For the benefit of RFH students

What We Do...

The RFH High School Foundation supports exciting, impactful programs not included in the school budget. For 20 Years, the Foundation has enriched our children's educational experiences through the funding of capital projects, field trips and special programs. It has raised over \$825,000 for ventures big and small, both inside and outside the classroom. To learn more, go to www.rfhfoundation.org.

George Giffin Memorial Fund...

The RFH Foundation was proud to partner with RFH Alumni to create a fund to recognize this exceptional educator and his commitment to his students and the entire RFH Community. We received nearly **\$80,000 from 32 graduating classes!** For more details go to www.rfhfoundations.org/georgegiffinfund.

Donations are still being accepted and will be used to empower RFH students to achieve their goals and develop a passion for living and learning.

NEW in 2020 – 2021...

RFH's newly constructed **STEAM LAB** was used by computer science students last year! The Foundation was thrilled to be able to contribute to the funding of this state-of-the-art classroom.

How Can You Help...

Invest in your children's education by

- Online donations:
www.rfhfoundation.org/donate
- Checks:
RFH High School Foundation, Inc.
74 Ridge Road, Rumson, NJ. 07760

RFH Foundation is looking for additional Board Members!

It's a great way to get involved in the school community. If interested, please send a note to rfhfoundation74@gmail.com or complete Contact form on our website.
