

Dynamic Public Speaking

What is this course?

- Dynamic Public Speaking is a semester (half-year) elective that fosters skills essential for success in any academic, social and professional context; promoting confidence in public speaking and the development of successful presentation techniques will be the focus of the course. Available grades 9-12.

Why should I sign up?

- You will build your confidence and public speaking skills. This course can help you command an audience.

What are some fun topics or assignments for this class?

- In this course, public speaking games help you gain confidence and get to know your peers. We will also hold debates and create longer speeches. For nearly every speech, you will pick your topic, so you'll be able to focus on ideas that interest you.

Where can I go for more information?

- Mr. McConville
