APPLICATIONS & DEADLINES

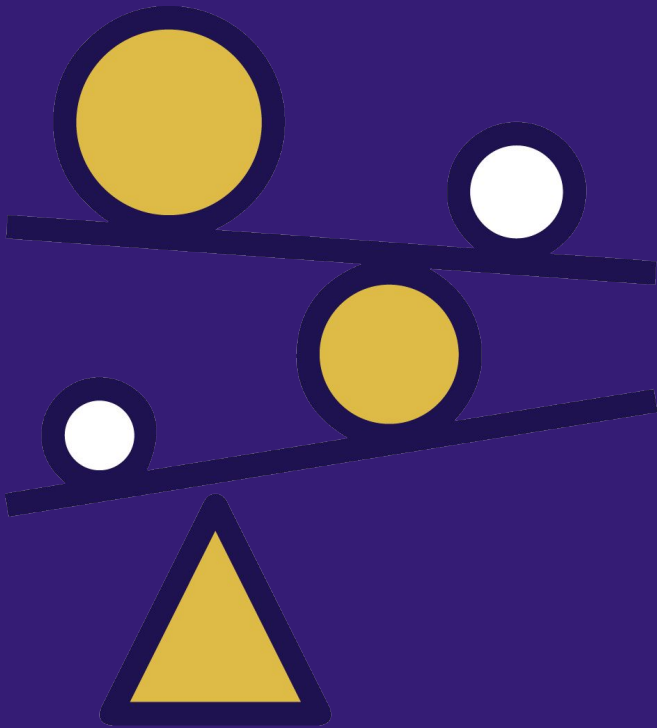

DEFINITIONS OF ADMISSION OPTIONS IN HIGHER EDUCATION

STUDENTS: WHICH COLLEGE ADMISSION PROCESS BEST *SUITS* YOU?

Regular Decision	Rolling Admission	Early Action (EA)	Early Decision (ED)	Restrictive Early Action (REA)
DEFINITION: Students submit an application by a specified date and receive a decision in a clearly stated period of time.	DEFINITION: Institutions review applications as they are submitted and render admission decisions throughout the admission cycle.	DEFINITION: Students apply early and receive a decision well in advance of the institution's regular response date.	DEFINITION: Students make a commitment to a first-choice institution where, if admitted they definitely will enroll and withdraw all other applications. The application deadline and decision deadline occur early.	DEFINITION: Students apply to an institution of preference and receive a decision early. They may be restricted from applying ED or EA or REA to other institutions. If offered enrollment, they have until May 1 to confirm.
COMMITMENT: NON-BINDING	COMMITMENT: NON-BINDING	COMMITMENT: NON-BINDING	COMMITMENT: BINDING	COMMITMENT: NON-BINDING
Students are not restricted from applying to other institutions and have until May 1 to consider their options and confirm enrollment.			Students are responsible for determining and following restrictions.	

DEADLINES VARY BY SCHOOL

BALANCE IS KEY

College list may include:

- **REACH** (2-3) GPA is outside the average accepted range. The farther outside the range the higher the reach
- **TARGET** (5-6) A good fit academically, socially & financially. Testing & GPA are in accepted range
- **LIKELY** (1-2) Testing & GPA exceed accepted range

Institutional need may impact all of the above

HOW MANY IS TOO MANY?

COMMON APP + SCOIR INTEGRATION

- To connect Common Application and Scoir accounts, students must first:
 - Create a Common Application Account

 - Add at least one college (allows completion of FERPA release)
 - Sign FERPA Release Authorization (permits us to send student records)

COMMON APPLICATION + SCOIR INTEGRATION

- Students will be prompted to connect their Scoir and Common App accounts in their “View Profile” Scoir tab

The screenshot displays the Scoir user interface for Tracy Smith. The top navigation bar includes the Scoir logo, a search bar, and links for Home, Discover, My Colleges, Inbox, and a user profile dropdown. The main content area is titled 'Personal Details' and features a sidebar with navigation links: Personal Details (active), Academic Overview, Personal Bio, Activities & Achievements, College Preferences, Careers, and Drive. The profile information is organized into three columns: Personal Details (Tracy Smith, location, phone, email, birthdate, and legal/ethnicity/citizenship status), Parents (invite link and first-generation student status), and Account (email and add alternate email link). A 'Download Resume' link is located in the top right of the profile section. A blue-bordered box highlights the 'Application ID' section, which shows the Common App logo, a 'Not Connected' status, and a 'Connect Common App' button. Two yellow banners with the text 'COMING SOON!' are positioned over the right side of the Application ID section.

PUTTING IT ALL IN PERSPECTIVE

From journalist Jeff Selingo's new book *Dream School*

- “Attending an Ivy League university does open doors, but it’s not [a] guarantee of extraordinary success . . . Nor does attending a different school preclude you from achieving great things.”
- “Elite colleges are slightly more likely to send alumni to a Fortune 50 company, but not by much.”
- “Your future coworkers in any company are roughly four times as likely to have graduated from a college with an acceptance rate above 40% than from a more selective school, according to the Lightcast research”
- Find the best college for **YOU**
