

AP Art History

AP Art History will use Google Classroom for *BOTH* the summer assignment distribution *AND* for class this coming school year. **I have added/invited you via your RFH student email account.** If you do not see an invite in that account, please use this code to add yourself to class:

**Class code:
ykuw7a3**

Once you are added into class, you will have access to the summer assignment. You will need to sign out a text from my room in order to complete the summer assignment. If you are awaiting confirmation of enrollment I will place a limited number of texts in the main office after June 20.
